

Owyhee, Bruneau, and Jarbridge Rivers

Application Process: Permits are required for all river entry. All parties launching on the Owyhee, Bruneau or Jarbridge River Systems must complete a registration form at the launch site. The top copy goes in the registration box at the launch site. The bottom copy is carried by the trip leader on the river. While on the river, the registration form must be presented upon request by any BLM, State, or County employee.

Additional Information: Float groups in the **Bruneau-Jarbridge River System** are restricted to 15 persons. Float groups in the **Owyhee River System** above the Rome Launch site are restricted to 15 persons, while float groups on the Owyhee River below the Rome Launch site are restricted to 20 persons.

Aquatic Invasive Species:

Oregon: Aquatic Invasive Species Prevention Permits are required for operators of canoes, kayaks, drift boats, inflatable rafts, and other manually powered boats 10 feet or longer. Permits are available at Oregon fishing license vendors or on the [Oregon Department of Fish and Wildlife](#) website.

Idaho: Anyone who wants to launch a boat on Idaho waters will have to buy and display an Idaho Invasive Species Fund sticker. (Inflatable, non-motorized vessels less than 10 feet long are exempt). For more information and purchase options go to <http://parksandrecreation.idaho.gov/> or call (800) 247-6332.
