Big Wall Can		1.65lbs		\$90	Screw top with seal, 1.86 gallons, market to climbers
Life Latch	Varies			Varies	Screw top containers with gaskets, Life Latch lids will only fit Life Latch pails
Luggable Loo	40 uses	3lbs	SCAT	\$38	5 gal. bucket, seat, non water-tight lid
RESTOP Commode	40 uses		SCAT	\$60	5 gal. bucket, supports 300lbs, Gamma Seal lid, folding rubber toilet seat
Standard 5 gal. bucket**	40 uses		SCAT	Varies	"Standard" buckets are not identical: check to be sure the lid fits securely.
Travel John Commode	40 uses		SCAT	\$60	Gamma Seal lid, flexible PVC seat
Gamma Seal screw top lid with gasket				\$10	Screw top lid with gasket, fits 3.5-7 gallon buckets, easy to open. "Standard" buckets are not identical: check to be sure the lid fits securely.

*Check with agency to verify bags are approved

**Bucket needs a leak-proof lid with gasket (screw or snap on, depending on agency requirements).
When purchasing a bucket, check their durability: some collapse more easily than others.
