

## Tuolumne River

**Application Deadline:** Permit applications will be accepted after January 1st for the following season. Permits are required from May 1 through October 15.

**Process:** Complete a [Permit Application](#) form and return it to the office with the reservation fee. **Submit separate checks and separate applications for each trip reservation.** If your application is not received by the Groveland District Office, within seven days of the launch date, you may have to phone (209) 962-7825 for confirmation.

**Fees:** \$15.00 to reserve a permit for the first ten people. For parties 11 to 26 people, an additional charge of \$2.00 per person applies. Checks or money orders must be payable to: USDA Forest Service. Please submit separate checks for each trip. These fees must be submitted with an application and are non-refundable and non-transferable. Permits issued to walk-ins on a non-reserved basis will continue to be issued at no charge. When cancellations are received more than 14 days prior to launch date, the applicant will be eligible for an alternate launch date at no extra cost.

**Cancellations:** Fees are non-refundable. Cancellations received less than 48 hours prior to the launch date will be considered "no shows". "No shows" will forfeit any other reservations they might have for the remainder of the season.

**Additional information:** Advance reservations for weekend launches are limited to six trips per person per year. Group size is limited to 26 people and 6 rafts. There is no limit on the number of kayaks. Road closures can happen due to fires and a heavy rain or snow season, go to <http://www.fs.usda.gov/alerts/stanislaus/alerts-notice> check on current alerts.
