

## Rogue River Wild Section, OR

**Application Process:** Permits are required year-round on the Wild Rogue River. For permits from May 15 – October 15, lottery applications are accepted at <https://www.recreation.gov/permits/251982> from December 1 – January 31. Applicants are notified of results on February 15. The pre- and post-season control season permits required are self-issuing, available in front of the Smullin Visitor Center and Grave Creek Boat Launch Access.

**Fees:** A \$6.00 nonrefundable lottery application fee. Successful applicants are required to confirm with a permit fee of \$10.00 per person and must be received by the BLM no later than 10 days prior to the trip or the permit will be cancelled.

**To reserve a Permit AFTER the lottery:** There are still opportunities to obtain a canceled permit through competitive call-ins or on the “day of launch”. Check the [BLM webpage](#) for detailed information and for a link to “float space availability”, which will be posted on the website beginning March 30.

**Cancellations:** Confirmed permits may be cancelled without penalty until 3 PM (PST) the day prior to the launch date by contacting the BLM Smullin visitor Center at Rand. If you fail to cancel by 3pm the day before your launch you will be considered a no-show and you will not be able to hold a float permit under your name for the rest of the year and continuing through the following year’s lottery and regulated use season.

**Additional Information:** The state of Oregon requires an Aquatic Invasive Species Prevention Permits for operators of canoes, kayaks, drift boats, inflatable rafts, and other manually powered boats 10 feet or longer. Permits are available at Oregon fishing license vendors or on the [Oregon Department of Fish and Wildlife](#) website.
