

# EXPLORING RIVER ACCESS: WORKSHOP ON THE NASHUA AND NISSITISSIT RIVERS

SEPT. 6-8, 2023  
GROTON, MA

## About The Workshop

Join us for an immersive workshop on river access planning along the Nashua and Nissitissit rivers. Through a mix of interactive lectures, a charette, and on-site visits to the Petapawag and Beaver Brook Association river access sites, you'll gain practical insights and hands-on experience. Not only will you learn about the special considerations for river access design, but you'll also explore challenges, opportunities, and successful case studies. Participants will receive a paper copy of the River Access Planning Guide, and gear will be provided for a half-day paddling trip on the Nashua Wild and Scenic River.

## Details

Sept. 6: 8:30 am - 5 pm (afternoon paddle)  
Sept. 7: 8:30 am - 5 pm  
Sept. 8: 8:30 am - 12:30 pm

Classroom portions held at Nashua River Watershed Association's River Resource Center
